📍 Debre Markos, Amhara, Ethiopia

Hard Skill

- **Basics** :- HTML, CSS and JavaScript
- **Front End Development**:- React js
- **Back End Development** :- PHP, Node js
- **Database Management**:- MySQL

Soft Skill

- Observation (idea generation)
- problem Solving
- Teamwork
- Time Management
- Multi-tasking

Education Background

- Woldia University
Bachelor's degree in computer Science
Graduated with the honors GPA: 3.92/4.00
Completed in 2015 E.C
- High School and Preparatory School
Dembecha senior secondary and
Preparatory School
Completed in 2011 E.C
- Elementary
Embuli Primary School

Completed in 2007 E.C

About Me

I am a junior Front-end web developer with a strong foundation in JavaScript, CSS, HTML, and React.js. I have good problem solving skills and I can learn new things quickly.

I have a solid understanding of programming principles and algorithms, which have helped me approach problem-solving in a systematic and efficient manner. I have also honed my skills in collaborating with cross-functional teams, as I have actively participated in group projects.

I am looking for a fast-growing technology company or startup where I can apply my skills and contribute to the development of innovative web applications. I am confident that my passion for web development, combined with my strong technical expertise and problem-solving abilities, will make me a valuable asset to any team.

Experience

I have experience in developing web applications using React.js, MUI, Mantine and Node.js. I have worked on a Multi High school management System project where I collaborated with cross-functional teams to develop a user-friendly and efficient platform for directors, teachers, and students to manage academic activities. I designed and developed responsive UI components using MUI and utilized Node.js to create RESTful APIs and interact with a MySQL database.

I also implemented Redux library which is redux toolkit to manage the application state. My work resulted in a successful and positive feedback from examiner.

Language

- Advanced in English, with the ability to read, write, and speak fluently. I have excellent listening skills and can communicate effectively with native English speakers.
- Fluent in Amharic, my mother tongue, with excellent reading, writing, and speaking skills.
